Sea and Sand!

The Tides of March was an absolutely fantastic event this year! We had over 50 artists and crafters in the park along with some great entertainment. Thanks to all of you who made it possible. We were truly grateful that mother nature didn't blow us away that Saturday evening.

The Sea and Sand Festival is our final event of the season and is quickly approaching. We have filled all of our allotted spaces for this event. If you have reserved a space and cannot make it for the event, please let us know so that we can re-assign the space to someone who is waiting.

We will be collecting donations for the silent and live auction during the next meeting. If you have not already submitted your item, please bring it to the meeting with you. The funds raised at this year's festival will be used to equip a new children's playground on Folly Beach. Your contributions are greatly appreciated! If you would like to donate some time to help out with the festival, please contact Sharon Gieger at 588-1328 or email her at geigers@bellsouth.net.

If you are interested in running for a board position of the guild, we will be accepting nominations for each position during the April meeting. Installations of the new officers will take place during our May meeting. We would also like to ask if anyone is interested in taking over the newsletter to please let us know
